

TRANSFORMERS: REVENGE OF THE FALLEN

The battle for Earth has ended — but the battle for the universe has just begun!

Returning to Cybertron after bitter defeat at the hands of the Autobots, Starscream assumes command of the Decepticons with a singular purpose — to return to Earth in force! Meanwhile, the Autobots, believing peace possible, discover that Megatron's remains have been stolen from the US Military by Skorpinox, who revives him using his own spark. Now reenergized, Megatron seeks revenge, and with Starscream and his Decepticon reinforcements on the way, the Autobots may have more to deal with than meets the eye!

Director Michael Bay returns to helm this super-charged sequel to the highly successful, big-screen adaptation of everyone's favorite "Robots in Disguise" for DreamWorks and Paramount Pictures, starring Shia LaBeouf, Megan Fox, Josh Duhamel, Tyrese Gibson, and John Turturro.
